# Liquid Dishwash 5L

Alle's ClinX Mini Raw Lime Dish Wash Liquid is a neutral pH hand dishwash detergent with rapid grease-cutting surfactant action and a bright raw lime fragrance. Gentle on hands. Effective on cooking oil and food residues. 30 ml per basin. 5-litre value pack.

■ 649 / 5 L

## OVERVIEW

Dishwashing is the one cleaning task that happens at least twice a day in every household. The product you use for it should be effective without requiring extra effort, kind to your hands because you are in contact with it every day, and pleasant enough in scent that the task is not made worse by the product.

## KEY FEATURES

### Anionic surfactant system

rapidly emulsifies cooking oils, fats, and food residues — the chemistry that makes grease disappear from pots and pans without extended scrubbing.

### Neutral pH

gentle enough on hands for the full length of daily dishwashing without the dryness that comes from alkaline dishwash products.

### Raw lime fragrance

the sharp, fresh scent of unprocessed lime peel — brighter and more authentic than the sweet lime fragrance in most dishwash products.

### 30 ml per basin

effective at a low dose with sustained foam — you use less, it lasts longer, the cost per wash is lower.

### 5-litre value pack

approximately 166 complete dishwashing sessions per pack — nearly 3 months for a family of four.

## CAUTION & STORAGE

Keep out of reach of children. Avoid contact with eyes — rinse with water if contact occurs. Do not ingest. Not suitable for machine dishwashers. Wear gloves for prolonged skin contact. Store in original sealed container below 30°C, away from direct sunlight. Keep tightly closed when not in use. Shelf life 24 months from manufacture date, unopened.
