

HOME & OFFICE CLEANING · TECHNICAL & SAFETY DATA SHEET

Regular Phenyl 5L

Alle's ClinX Mini Regular Phenyl is a phenolic disinfectant concentrate that kills the bacteria living on your floors — not just the dirt you can see. Neutral pH, safe on every floor type. 250 ml per litre. 5-litre value pack.

■ 495 / 5 L

OVERVIEW

There is a reason phenyl has been in Indian homes for over a century. It works.

KEY FEATURES

Phenolic disinfection

the same antimicrobial chemistry that has been used in hospitals and homes across India for generations — proven, reliable, and still the benchmark.

Neutral pH

safe on marble, ceramic, mosaic, vinyl, and every other hard floor in your home or office without surface damage risk.

250 ml per litre

a simple dilution that anyone can follow — no measuring equipment, no guessing, no wasted product.

Classic phenyl fragrance

the universally recognised signal of a clean, disinfected floor — a scent that communicates hygiene to everyone who walks in.

5-litre value pack

significantly lower per-litre cost than consumer-size bottles — fewer trips to the store, more weeks of clean floors.

CAUTION & STORAGE

Keep out of reach of children and pets. Avoid contact with eyes — rinse immediately with water if contact occurs. Do not ingest. For floor use only — not for skin, food surfaces, or clothing. Store in original sealed container below 30°C, away from direct sunlight. Keep tightly closed when not in use. Shelf life 24 months from manufacture date, unopened.
